## COLLEGE & UNIVERSITIES MAILING LIST

College and university vegetarian/vegan groups and animal welfare groups are very welcome to join our Local Network as affiliated groups or information centres. But, if you don't wish to be involved that way, we can put you on our **informal** mailing list. This will mean that we'll keep you informed about our major campaigns and projects, and supply you with reasonable quantities of literature if needed, but you won't be entitled to the full range of benefits of affiliation.

If you'd like to be on this informal mailing list, please complete the form below.

**Please note:** If possible, please give a **Student's Union Box Number address** for your group. We find students tend to change accommodation quite a lot and forget to let us know they've moved!
