Step 1 - Sweet and sticky potatoes
1. Bring a large pan of water to the boil and add the new potatoes.
2. Simmer for around 10 minutes until cooked but still firm. Drain and put to one side.

Step 2 - Salsa
1. Finely chop the red onion, tomato and fresh coriander.
2. Place in a small bowl and add the lime juice and 2 tsp of olive oil.
3. Season with salt and pepper.

Step 3 - Tomato chilli shot
1. Slice open a Bird’s Eye chilli, remove any seeds and finely chop.
2. Add the chilli to the tomato juice, shots of vodka, and vegetarian Worcester sauce, chill. If you prefer not to have alcohol, leave the vodka out.
3. Stir before pouring into four small shot glasses.

Step 4 - Deep fried potato grates
1. Peel and grate 4 medium potatoes and pat with a paper towel to remove excess moisture.
2. In a large pan bring the oil up to frying temperature. To test this, add a few grated pieces to the oil. The potato should start to sizzle almost immediately.
3. When the oil is ready carefully add half of the grated potato.
4. With a large slotted spoon carefully agitate the potato.
5. After approximately 6 minutes, scoop out the crispy potato and place onto a paper towel.
6. Repeat until all the potato has been fried, then season, with a pinch of salt.

Step 5 - Butter bean salad
1. Place the drained butter beans into a bowl.
2. Add tomato juice, thyme, olive oil, lemon juice, paprika and sugar. Season with salt and pepper.
3. Mix till beans are coated.

Step Six - Hot and sweet tofu and noodles
1. Add 1 tbsp olive oil to a large non-stick frying pan.
2. Carefully mix together the tofu and noodles and gently fry for 5 minutes.
3. Add chopped chillis and mango chutney and continue to cook for 3 minutes occasionally stirring.

Step 7 - Sweet and sticky potatoes
1. When you are about to assemble the salad heat a little olive oil in a frying pan. Slice the potatoes you prepared in Step 1 in half and add to the pan.
2. After 2 minutes add mango chutney and chilli.
3. Stir and cook for 2 more minutes.

To assemble your salad:
1. Arrange your salads in small piles with the shot as the centre piece on each person’s plate. Alternatively place four shots in the middle of a large plate with the different salads placed around them.
2. Use the grated carrot, cucumber, spinach, cress and pickled chilli as a garnish.
3. Dress the salad with the remaining lemon, lime and a splash of olive oil.

risotto stuffed ramiro peppers

chef’s tip

You can make your own tapenade by blending 30g olives, 1 tsp capers, 2 tsp olive oil and 1 tsp dried oregano.
This recipe combines two classic veggie dishes to double your pleasure! Roasting sweet Ramiro peppers intensifies the flavour providing an ideal vessel for the nutty risotto.

Method

Step 1
Preheat oven to 220C. Put the vegetable stock into a saucepan and simmer.

Step 2
In a large, wide frying pan fry the leek in a little of the oil for 5 minutes until softened. Add the garlic and fry for another minute.

Step 3
Steam the kale for 5 minutes, run under cold water, drain and set to one side.

Step 4
Add the white wine, lemon zest and rice to the leeks and stir well making sure that the rice is well coated. Cook until the wine has been soaked up by the rice. Now ladle some of the stock over the rice and stir.

Step 5
As the stock is absorbed by the rice keep topping up with more hot stock from the saucepan and keep stirring. You may not need all the stock depending on the size of pan used. It should take about 15-20 minutes until the risotto has a creamy consistency and the rice is cooked.

Step 6
Add the peas and steamed kale to the risotto about 5 minutes before the end, season to taste.

Step 7
Cut the tops off the Ramiro peppers and stuff with the risotto, followed by a teaspoon of the tapenade. Repeat this for all the peppers until they are filled. You will have risotto left for serving. Set the remaining risotto to one side, reheat just before serving.

Step 8
Place the peppers and tomatoes onto a foil-lined baking tray, drizzle with a little olive oil and roast for 10-15 minutes.

Step 9
To serve, place a large spoonful of the spare risotto onto a large plate and stack two peppers against it. Place a set of cherry tomatoes next to the risotto. Serve with quick oriental salad.

Quick oriental salad
Simply combine the ingredients and add a splash of soy sauce to taste.

cannellini bean & smoked applewood sausages with seasonal mash
Ingredients

- 2 tbsp olive oil
- 1 onion, finely chopped
- 2 cloves garlic, crushed
- 1 tsp smoked sweet paprika
- 1 standard can of cannellini beans, drained
- 50g wholemeal breadcrumbs
- 100g vegetarian smoked Applewood cheese (*use smoked tofu plus 50g finely chopped hazelnuts for vegan version)
- Salt and pepper
- 2 large free range eggs, beaten (*omit for vegan version)
- 50g wholemeal breadcrumbs, for coating (*use finely chopped nuts for vegan version)

For the mash:

- 1kg white potatoes and other seasonal root vegetables, peeled and chopped
- 100g kale, chopped
- A knob of butter/vegan margarine
- 2 tsp hot horseradish sauce (*use vegan version if preferred)

To serve:

- 500g broad beans
- 500g peas
- Gravy

Sausage and mash is the perfect comfort food. These veggie sausages have a firm texture with a crispy coating and plenty of flavour. Serve with gravy for the ultimate warming feeling.

Method

**Step 1**
Fry the onions in 1 tbsp of oil until soft then add the garlic and smoked sweet paprika. Continue to fry for another 30 seconds.

**Step 2**
Put the fried onion mixture in a food processor along with the beans, breadcrumbs and cheese, and season with salt and pepper. Whizz until the mixture becomes a pâté consistency.

**Step 3**
Form and roll the mixture into 8 sausages. Dip each one in the beaten egg and then roll in the extra breadcrumbs. Shallow fry the sausages two at a time, turning only when the bottoms have browned first to avoid their falling apart. (*If making the vegan version, coat in the nuts and grill under a moderate heat, turning occasionally.) This should take around 8mins.

**Step 4**
While the sausages are cooking prepare your mash by boiling the vegetables until soft. Drain and mash thoroughly. Stir in the butter or vegan margarine and horseradish.

**Step 5**
Serve the sausage with the mash, peas, broad beans and your favourite onion gravy.

Alternative serving suggestion

Serve sausages with vegetable cous cous, tomato salsa and a herb salad.

5. Leave the dough to rise for 40 minutes while you prepare the sauce and topping.

To make the sauce
1. Heat the oil in a frying pan and gently fry the onions for five minutes, then add all of the other ingredients.

Serve with a fresh salad.

*Pizza method
